DIRECTOR'S NOTE

Welcome to Fall/Winter 2016,

During the past year our department has served thousands of area residents through our parks, programs, classes and events. We are proud to be celebrating 22 years of service and I would like to thank your on-going support of our parks and programs. During the last couple of years we have made some great changes including an updated City of Elko website and several millions of dollars invested in capital improvements to our parks and facilities.

As the kids head back to school, don't forget at Elko Parks & Recreation, the fun doesn't stop. I encourage all residents to take advantage of the activities and facilities our Department offers.

We welcome your comments, questions and concerns. You can reach our office at 777-7260 or by e-mail at recdir@elkocitynv.gov
